

HONEYWELL PROCESS SOLUTIONS USERS GROUP PACIFIC
Where Technology Shapes Solutions
21-25 August 2011, The Esplanade Hotel, Fremantle, Western Australia

Registration	Sunday 21 August 2011
7:00:00 AM	Golf Challenge (optional). Assemble in the foyer for departure to Meadow Springs Golf & Country Club. Departure 7:15am sharp
3:00PM - 6:00PM	Registration Desk Opens: Southern Cross Lobby
6:00PM - 7:30PM	Users Group Welcome Reception - Resort Pool

Day 1	Monday 22 August 2011
7:00AM - 8:20AM	Breakfast - Atrium Garden Restaurant
8:00AM	Registration Desk Open: Southern Cross Lobby
	Sirius Ballroom
8:30AM	MC & Chairman's Welcome Honeywell's Welcome – Garry Mahoney, Sales Director Pacific
8:45AM	The Resources Industry – Driving the Growth of Western Australia Hon Minister Moore, Minister for Mines and Petroleum; Fisheries; Electoral Affairs
9:15AM	User Input Subcommittee Update Rob Polinelli, Alcoa Australia
9:30AM	Overview of Customer Advisory Boards Angelo D'Agostino, BHP Billiton Worsley Alumina
9:40AM	Industry Perspective Mark Zyskowski, VP Global Sales, Honeywell
10:00AM	<i>Morning Refreshments - Southern Cross Lobby</i>
	Sirius Ballroom
10:30AM	The Changing Face of the Asia Pacific Business Tony Cosgrove, VP Sales Asia Pacific, Honeywell
11:00AM	Honeywell Technology Overview and New Innovations Jason Urso, VP Technology, Honeywell
12:00PM	<i>Lunch – Atrium Garden Restaurant</i>
12:00PM -1:00PM	Demo Room Sneak Peek - Orion/Pleiades Ballroom

HONEYWELL TECHNOLOGY SESSIONS (TBD)				
	Carnac (1st Floor) <i>Facilitator: Rob Polinelli, Alcoa</i>	Garden (1st Floor) <i>Facilitator: Rob Duggan, BHP Billiton Worsley Alumina</i>	Rottnest (1st Floor) <i>Facilitator: Bill Ramsay, Honeywell</i>	King Sound (Ground Floor) <i>Facilitator: Paul Kjellgren, Woodside Energy</i>
1:00PM	Experion Overview and New Solutions Andrew Stuart / Greg Belcher, Honeywell	Safety Management Systems Update Kim Sorensen & Ron van den Boomen, Honeywell	Industrial Security – Expanding the Boundaries Adrian Fielding, Honeywell	Advanced Control & Optimization Enhance Plant Profitability and Sustains Benefits Hendrik Alberts, Honeywell
1:50PM	<i>Make your way to the next technology session</i>			
1:55PM	Value of Migration: from TPS to Experion Andrew Stuart, Honeywell	Better Reliability and Compliance Through Alarm and Operations Management Bob Weiss, Honeywell	Gas Solutions: Experion SCADA and RTU Applications Paul Vellacott & Aiden van dev Hurk, Honeywell	Operator Competency with Simulation David Campbell, Honeywell
2:45PM	<i>Make your way to the next technology session</i>			
2:50PM	Virtualisation Overview and Roadmap Paul Hodge	Reliability and Asset Management Craig Webb, Honeywell	What's New in Field Instrumentation Bill Ramsay, Honeywell	Uniformance PHD R300 – A New Standard for Performance and Ease of Use Martin Pot, Honeywell
3:30PM	<i>Afternoon Refreshments - Orion/Pleiades Ballroom</i>			
3:30PM – 4:00PM	Demo Room - Orion/Pleiades Ballroom			
HONEYWELL TECHNOLOGY SESSIONS (TBD)				
	Carnac (1st Floor) <i>Facilitator: Rob Polinelli, Alcoa</i>	Garden (1st Floor) <i>Facilitator: Rob Duggan, BHP Billiton Worsley Alumina</i>	Rottnest (1st Floor) <i>Facilitator: Bill Ramsay, Honeywell</i>	King Sound (Ground Floor)
4:00PM	Virtualisation 101 Paul Hodge, Honeywell	Field Device Management Craig Webb, Honeywell	Optimising Engineering Data Management on Capital Projects Matt Willmott, Honeywell	Uniformance and BusinessFLEX (Birds of a Feather) Martin Pot, David Robertson & David Dickson, Honeywell
5:00PM - 6:00PM	Demo Room Open - Orion/Pleiades Ballroom			
6:30PM	Offsite Dinner/Networking			

Day 2	Tuesday 23 August 2011			
7:00AM - 8:20AM	Breakfast - Atrium Garden Restaurant			
7:30AM – 8:30AM	Breakfast Session Mine of the Future, Kumar Chandraskeran, IBM – King Sound (Ground Floor)			
8:00AM	Registration Desk Open: Southern Cross Lobby			
	Sirius Ballroom			
8:30AM	Conference Formalities			
8:40AM	Global Status of Large-Scale Integrated CCS Projects Peter Grubnic, Principal Manager – Projects Evaluation and Analysis, Global Carbon Capture and Storage (CCS) Institute			
9:30AM	Advanced Solutions Update Ian Brown, VP & GM – Advanced Solutions, Honeywell			
10:15AM	<i>Morning Refreshments - Orion/Pleiades Ballroom</i>			
10:15AM - 7:00PM	Demo Room Open - Orion/Pleiades Ballroom			
	Customer Papers			
	Carnac (1st Floor) <i>Facilitator: Rob Polinelli, Alcoa</i>	Garden (1st Floor) <i>Facilitator: Rob Gilbertson, BHP Billiton Uranium</i>	Rottnest (1st Floor) <i>Facilitator: Bill Ramsay, Honeywell</i>	King Sound (Ground Floor) <i>Facilitator: Lan Chau, Qenos</i>
10:45AM	Supporting Applications Quickly and Reliably with the help of Honeywell's DOC4000 Jared King, Alcoa Australia	Nganhurra FPSO: Upgrading Experion 2.10 to 3.11 Project Ryan Beccarelli, Woodside Energy	Honeywell's EBI – More Than Just a Security System Esther Anderson, Woodside Energy	Improved Process Management with Honeywell MES at Sinopec GPC Sun Can, Honeywell on behalf of Sinopec
11:30AM	Make your way to the next session			
11:35AM	Evaluation and Application of MES Level Calculation Engines David Jennings, Alcoa Australia		Weaving a Production Story with Cameras, Access Cards and Fire Detectors Ajay Varghese, Honeywell on behalf of NCIG	Introduction of APC at S-Oil Onsan Refinery Chang Soon-Cheol & Bo Young Kim, S-Oil
12:15PM	<i>Lunch - Atrium Garden Restaurant</i>			

12:30PM – 1:30PM	Lunch and Learn: Experion Slick Tricks, Owen Sillett, Honeywell – King Sound (Ground Floor)			
	Special Interest Sessions			
	Carnac (1st Floor) <i>Facilitator: Paul Kjellgren, Woodside Energy</i>	Garden (1st Floor) <i>Facilitator: Rob Polinelli, Alcoa</i>	Rottnest (1st Floor) <i>Facilitator: Lan Chau, Qenos</i>	King Sound (Ground Floor)
1:30PM	Model-based Process Safety Management Rob Brendel, Honeywell	Intuition David Dickson, Honeywell	Cyber Security and the New Frontier: Lessons Learned Stacey Kelly, Honeywell	Reliability and Asset Management Solutions (Roundtable) Honeywell & IBM
2:25PM	Make your way to the next session			
2:30PM	Special Interest Sessions			
	Carnac (1st Floor) <i>Facilitator: Paul Kjellgren, Woodside Energy</i>	Garden (1st Floor) <i>Facilitator: Rob Polinelli, Alcoa</i>	Rottnest (1st Floor) <i>Facilitator: Lan Chau, Qenos</i>	
2:30PM	Optimising energy for process plants through IT and automation: A lifecycle approach Rob Brendel, Honeywell	OneWireless Overview and New Solutions Ray Rogowski, Honeywell	Universal Connectivity – Harnessing the Power of Standards Based Communication Richard Muniz, MatrikonOPC	
3:30PM	<i>Afternoon Refreshments - Orion/Pleiades Ballroom</i>			
	Roundtable Discussions			
	Carnac (1st Floor)	Garden (1st Floor)	Rottnest (1st Floor)	King Sound (Ground Floor)
4:00PM – 5:00PM	TPS to Experion Migration Andrew Stuart, Honeywell	Wireless Ray Rogowski, Honeywell	Honeywell Solutions Connecting Through MatrikonOPC Richard Muniz, MatrikonOPC; Martin Pot & Paul Vellacott, Honeywell	Alarm Management Tim Newbury & Bob Weiss, Honeywell
6:00PM - 7:00PM	Happy Hour - Demo Room - Orion/Pleiades Ballroom			
7:00PM onwards	Individual or Group Dinners			

Day 3	Wednesday 24 August 2011			
7:00AM - 8:20AM	Breakfast - Atrium Garden Restaurant			
7:30AM – 8:30AM	Breakfast Session Improving Asset Performance through Downtime Reporting, Pat Farragher, Honeywell – King Sound (Ground Floor)			
8:00AM	Registration Desk Open: Southern Cross Lobby			
	Sirius Ballroom			
8:30AM	Conference Formalities			
8:45AM	Remote Optimisation and Collaboration Centres Christophe Romatier, Honeywell			
9:20AM	Training the Next Generation Process Operators through Private Public Partnerships Greg Guppy, Australian Centre for Energy & Process Training			
10:00AM	The Influence of an Intelligent Operations Philosophy on Design and Operation of Remote Large-Scale Oil and Gas Developments in Australia David Cavanagh, Integrated Energy			
10:30AM	<i>Morning Refreshments - Orion/Pleiades Ballroom</i>			
10:30AM – 6:00PM	Demo Room Open - Orion/Pleiades Ballroom			
	Customer Papers			
11:00AM	Carnac (1st Floor) <i>Facilitator: Lan Chau, Qenos</i>	Garden (1st Floor) <i>Facilitator: Rob Gilbertson, BHP Billiton Uranium</i>	Rottnest (1st Floor) <i>Facilitator: Bill Ramsay, Honeywell</i>	King Sound (Ground Floor) <i>Facilitator: Rob Duggan, BHP Billiton Worsley Alumina</i>
	The \$70K Process History Database Lee Albert, Tiwest	Piloting of Intelatrac to support Mobile Computing Solutions Andrew Waldby, Alcoa Australia	PP(M)SB Journey & Experience in DCS Network Security Feizal Ghazali, Petronas Refinery Malacca	Monitoring Honeywell Systems with Systems Centre Operations Manager Andrew Curtis, BHP Billiton Worsley Alumina
11:45AM	Make your way to the next session			
	Customer Papers			
11:50AM	Lifecycle Management – The Many Approaches Graeme Rodgers & Thomas Elliott, Esso Australia	Re-instrumentation Made Easy with Wireless Solutions Mohd. Rashdin Rashid, Ethylene Malaysia Sdn Bhd & Polyethylene Malaysia Sdn Bhd	Industrial IT Security - Implementing Defence in Depth Jerry Wells, Woodside Energy	Advanced Process Control & Operator Training Simulator for Fertilizer Plant at Tata Chemicals K.R. Dureja, Tata Chemicals Limited (India)
12:30PM	<i>Lunch - Atrium Garden Restaurant</i>		QUASAR DEVELOPMENT CENTRE SITE VISIT	
	Sirius Ballroom		Meet in Lobby at 1:00pm. Coach departs 1:15pm sharp. Returning to the Esplanade 6:00-6:30PM	
1:45PM	Guest Speaker - Andrew Horabin			

3:15PM	Honeywell Summary	
3:30PM	Chairman's Summary	
3:45PM	<i>Afternoon Refreshments - Orion/Pleiades Ballroom</i>	
3:45PM - 6:00PM	Demo Room Open - Orion/Pleiades Ballroom	
7:00PM	Conference Dinner – Sirius Ballroom, Esplanade Hotel	

Day 4	Thursday 25 August 2011	
7:00AM - 8:20AM	<i>Breakfast - Atrium Garden Restaurant</i>	
8:30AM – 3:00PM	Demo Room Open – Orion/Pleiades Ballroom	
8:30AM – 10:30AM	Functional Safety Demystified – Bob Weiss, Honeywell	Carnac (1 st Floor)
8:30AM – 12:30PM	Cyber Security - Stacey Kelly, Honeywell	Garden (1 st Floor)
8:30AM – 12:30PM	OPC on Experion – Roger Fortune, MatrikonOPC	Rottnest (1 st Floor)
8:30AM – 1:00PM	QUASAR Development Centre Visit 2	Meet in the Lobby at 8:30AM. Coach departs 8:45AM sharp.
<i>10:30AM – 11:00AM</i>	<i>Morning Refreshments – Orion/Pleiades Ballroom</i>	
<i>12:30PM – 1:30PM</i>	<i>Lunch – Atrium Garden Restaurant</i>	
1:30PM – 4:30PM	Profit Controller Skills Update – Hendrik Alberts, Honeywell	Garden (1 st Floor)
1:30PM – 4:30PM	Alarm Rationalisation & Changing the Board Operators Interaction with Alarms – Bob Weiss & Tim Newbury, Honeywell	Rottnest (1 st Floor)
